## Notice of Indian Education Council Meetings

The Central Union School District makes various available opportunities for parents to provide their views on the educational programs and activities, including recommendations on the needs of their children and on how the District may help those children realize the benefits of the educational programs and activities.

One opportunity is through committee and council meetings. Each year an Indian Education Council (IEC) of Central Union Elementary School District provides an opportunity for the Tachi -Yokut Tribe and parents of Indian children to meet. This council schedules a minimum of seven (7) meetings (Sept, Oct, Nov, February, March, April, May) during the school calendar year to address comments and concerns of parents of Indian children regarding the District's educational programs and activities.

This notice is to provide you the dates, time and location of the 2021-22 IEC Meetings. Each meeting begins at 12:30 PM at the Santa Rosa Rancheria Education Center on the following dates:

- September 14, 2021
- October 19, 2021
- November 16, 2021
- February 15, 2022
- March 15, 2022
- April 19, 2022
- May 17, 2022
